

Statement of crimes and demand for action, investigation, and indictment concerning COVID 19 Vaccines, which we can safely conclude have been engineered as depopulation bioweapons.

"Those who have the privilege to know have the duty to act." - Albert Einstein

This report will be delivered to the Nevada county Sheriff and Grass Valley Police Chief on the morning of Monday, January 31, A.D. 2022 and will be made public to all people.

We call upon the people of America to place similar notices into the hands of every sheriff and Police Chief on all 3,143 counties across America. Time is of the essence.

The July 30, 1778 Resolution of the Continental Congress states unequivocally:

..."It is the duty of all persons in the service of the United States, as well as all the other inhabitants thereof, to give the earliest information to Congress or other proper authority of any misconduct, frauds or misdemeanors committed by any officers or persons in the service of these states, which may come to their knowledge."

The issuance, publication, and widespread dissemination of this instrument and those annexed hereto, fulfills Oaths of Duty by the inhabitants of America, former Military Service personal, Officers of the United States Military and other Government Oversight Investigators and Whistleblowers that have sworn an Oath and Bond as Public Servants to the One People (Mankind).

This above resolution was rooted in the English common law [See California Civil Code 22.2] and it was codified at Title 18 of the U.S. Code at § 2, 3, 4

The following is a crime report that was produced by the Nevada county assembly Committee of safety and recorded in Nevada city, California on January 28, A.D. 2022. This criminal report was intended to be read before the Nevada county Sheriff and Grass Valley Police Chief. An emergency written request was sent to both offices on the afternoon of Saturday, January 22, A. D. 2022,

requesting an emergency meeting to enable us to make this criminal report to the peace-keeping officers. As of the filming of this presentation, 6 days later, we have had no return email from either party, no call in response to our emergency request for a meeting from the Nevada county Sherriff, and only a brief call from a Grass valley Police officer on the afternoon of Wednesday 26, A.D. 2022, which seemingly was intended to stall us from making a criminal complaint. Since both the Sheriff and Police chief have failed to convene a meeting with us, we have chosen to make this presentation public and file our evidence of crimes to the UNITED STATES Military via the U.S. Provost Marshall's Office and to the United States Navy, Judge Advocate General's Office.

(Transcript of video presentation made January, 28, A.D. 2022)

For the record, and just so the people of the county watching this video know who you are, may I please ask for you to give me your name and your badge number? Today's date is _____; the time is _____, and we are meeting in Nevada county at _____.

Would you please confirm that you are acting under your oath today, that is the Oath required by the STATE OF CALIFORNIA Constitution (i.e., municipal corporate charter) of 1879, set forth at Article XX, Section 3; and, also codified in the CALIFORNIA Government Code, Section 1360 and referenced at Sections 1363, 1367, 1369 and 1770(i).

Please, will you confirm which police department or sheriff's office you are an employee of?

Answer: _____

The reason we are here today is two-fold; you may or may not know this, but the various so-called "Covid-19 vaccinations" are now under criminal investigation. A criminal Complaint was filed in the International Criminal Court at the Hague. The wide-scale investigation began in November A. D. 2021 at the Criminal Investigation Department of Hammersmith Police station in London, which is a part of the London Metropolitan Police force, which is the largest police force in the U.K.

The criminal Complaint was filed as a result of: 1) the catastrophic death and injury figures to both adults and children across the U.K., and 2) because of the verified material Fact that the death and injuries are being deliberately silenced and underreported by U.K. hospitals and so-called "health officials and government officials." We are seeing the same catastrophic death and injury patterns in regard to so-called "Covid-19 vaccinations" occurring across **America**¹, including in California and Nevada county, and the same willful patterns and practices ongoing across Nevada county where the people are not being told about the very real risks of the so called COVID-19 vaccines, the COVID 19 tests, and wearing masks.

We are aware that the COUNTY OF NEVADA (hereafter C.O.N.) Coroner's Office is deliberately withholding and obstructing access to the Death and Injury figures occurring

1 Leaked Database Shows U.S. Military Disease Skyrocketing After Covid-19 Inoculations. Data leaked from the Defense Health Agencies Defense Medical Epidemiology Database (DMED) shows skyrocketing levels of disease among military personnel. Percentage Increase Over the Average of the Last Five Years: ▲ Heart Attacks 269% ▲ Pericarditis 175% ▲ Myocarditis 285% ▲ Pulmonary Embolisms 467% ▲ Cerebral Infarction 393% ▲ Bell's Palsy 319% ▲ Guillain-Barre 250% ▲ Immunodeficiencies 275% ▲ Menstrual Irregularity 476% ▲ Multiple Sclerosis 487% ▲ Miscarriage 306% ▲ HIV 590% ▲ Chest Pain 1,529% ▲ Labored Breathing 905%

within the surveyed territorial boundaries of Nevada county.

As stated, this case has been acknowledged by the International Criminal Court (ICC) in the Hague. The ICC filing occurred on the 6th of December, A. D. 2021. The ICC **Case Number: OTP-CR-473** [See: <https://www.docdroid.com/WUjv6iw/icc-complaint-7-1-pdf>].

The U.K. Case filing includes 1,100 pieces of evidence, including many verified Affidavits. We will leave a jump drive here with you today with links to the complaint and evidence included in the ICC Case filing. We have also compiled for you evidence gathered from across the U. S. of A. and Nevada county of ongoing International War crimes in regard to the dangers of the so-called COVID 19 vaccines which would better be described as Bio-Weapons, together with links to video presentations featuring Internationally acclaimed experts exposing their evidence of International war crimes currently ongoing across the World in regard to the so-called Pandemic.

As far as we are aware, all chief Constables around the U.K. and their equivalents across the United States, know of, or should know of this case, because it is an international situation. That is why we are here today, to ensure that you here at this police department /sheriff's office and similarly situated law enforcement offices in all 3,143 counties across the United States of America, are aware of this development and doing all within your power to uphold your fiduciary Duty and constitutionally-mandated Oath to protect the people of these United States of America and Nevada county.

There is significant and irrefutable forensic evidence and hundreds of witness statements from victims, whistleblowers, and experts that confirm serious harm, injury, and death caused by the various so-called "Covid-19 vaccines." These reports have been uploaded to the Centers for Disease Control and Prevention (C.D.C. Inc.) VAERS system in the United States of America and the equivalent disease-reporting systems around the World. Further evidence is currently being gathered by the U.K. police, and it is our understanding that they are now overwhelmed with the amount of people coming forward to provide verified Affidavits. There is substantial evidence that the VAERS reporting system is capturing just 1% of adverse reaction incidents and deaths.

Now if you are wondering, which I am sure you are, why you have not yet heard about this case, there is a deliberate blanket campaign of misinformation underway by the "captured" Governments world-wide, the corrupt Military Industrial Complex (MIC) controlled, bought-and-paid-for "Main-Stream Media" ([MSM, CIA Mockingbird Media](#)). The same Globalist forces that control the current captured UNITED STATES Administration controls virtually all American and world-wide MSM, all captured senior-government Officers in all political affiliations, all so-called Federal Law Enforcement, the so-called judiciary, all courts and so-called judges, so-called civil servants, and the captured media are all implicated in the following alleged crimes. Evidence to support the commission of these crimes has been submitted to the ICC and will be made available to you today.

The crimes being committed by public officers and employees at all levels of government across America, including California **and** Nevada county, include but are not limited to: misfeasance in public office, misconduct in public office, conspiracy to commit grievous bodily harm, conspiracy to administer a poisonous and noxious substance to cause serious harm and death, gross negligence, criminal malfeasance, criminal misfeasance, criminal negligence, unjust enrichment, manslaughter, corporate manslaughter, corruption, fraud, blackmail, **assault, battery, kidnapping, false arrest**, conspiracy to commit murder, **murder**, violations of

unalienable Rights **under color of law**, abuse of process, trespass on private property, acting in excess of their jurisdiction, **domestic terrorism, genocide, torture**, crimes against humanity, false imprisonment, multiple breaches of our human rights, war crimes, Mixed War, Cruel and unusual punishment, multiple breaches of International Law (i.e., the Nuremberg Code), which carry the **penalty of death by hanging**. Additionally, the foregoing actions by public officers and employees are considered **High Crimes** under federal law [18 U.S.C. 2381-2385], including **Seditious Conspiracy, Treason, and Misprision of Treason**.

So, as you can see, this could potentially be the world's largest criminal investigation; it is now underway. It is just beginning, and it is also taking place in numerous countries around the world. The evidence is overwhelming and irrefutable.

In accordance with U.S. Code [see Title 18 § 2, 3, 4] Particularly, **Misprision of felony** and the principles of English common law, we the people are required to report a crime when we have knowledge of a crime being committed. Title 18 §4 reads: *"Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both.* In accord, we sent written evidence of probable cause of International war crimes to: Governor Gavin Newsom, acting as the **Governor of the STATE OF CALIFORNIA Corp.** [c/o 1303 10th Street, Suite 1173 [near: CA 95814] Sacramento (14), California, u. S. of A.]; **COUNTY OF NEVADA Board of Supervisors**, employees et al., c/o Clerk of the Board Julie Patterson-Hunter; the **STATE OF CALIFORNIA MEDICAL BOARD; STATE OF CALIFORNIA Superintendent of Public Instruction** c/o Tony Thurmond, d.b.a. (c/o California Dept. of Education, Communications Division, Rm. 5602), **NEVADA JOINT UNION HIGH SCHOOL DISTRICT Board of Trustees; Regents of the UNIVERSITY OF CALIFORNIA, Regents of the UNIVERSITY OF PORTLAND; Office of the Chairman of the UNITED STATES Joint Chiefs of Staff**, etc.

Under your ex officio common law² Duty to the original, organic California Constitution of A. D. 1849 and your oath to uphold and defend that constitution against all enemies foreign and domestic, you have a duty to protect the people. As such, we now call upon you to assist us in the closure of all COVID vaccine centers and test centers within your jurisdiction.

The English common law principles of California grant any man or woman the right to use

2 Giles Jacob English Law Dictionary – A. D. 1750 Edition

Common Law - "(lex communis) Is taken for the law of this kingdom simply, without any other laws; as it was generally holden before any statute was enacted in parliament to alter the same: and the king's courts of justice are called the Common Law Courts. The Common Law is grounded upon the general customs of the realm; and includes in it the Law of Nature, the Law of God, and the principles and maxims of the law: it is founded upon reason; and is said to be the perfection of reason, acquired by long study, observation and experience, and refined by learned men in all ages. And it is the common birthright, which the subject hath for the safe-guard and defense, not only of his **goods, lands, and revenues**; but of his wife and children, body, fame, and life also. Co. Lit. 97, 142. Treatise of Laws, p.2."

Civil Code, Section 22.2 - The common law of England, so far as it is not repugnant to or inconsistent with the Constitution of the United States, or the Constitution or laws of this State, it is the rule of decision in all the courts of this State.

such force as is reasonable in the circumstances in the prevention of crime or in effecting or assisting in the lawful arrest of offenders, or suspected offenders, or of persons unlawfully at large.

These so-called “vaccines” and many of the COVID tests have been proven to be genetically engineered bio-weapons designed to murder and maim the American people. This is the weapon the live agents of the captured D.C. based, bankrupt, foreign controlled (bankrupt) UNITED STATES corporation [[28 U.S.C. § 3002\(15\)\(A\)](#), [California Commercial code 9307\(h\)](#)] are using to seriously injure, maim, and kill millions of the American people, which is under the direction of the captured Administration.

The evidence of these crimes must be seized by all American law enforcement agencies (federal, state, county, and city) as part of this investigation. It is incumbent upon you and law enforcement agencies across Nevada county to do all that you can to arrest the offenders and those aiding and abetting them for these heinous crimes. The English Common Law (codified in California Civil Code Sec. 22.2) gives any man or woman the authority and the power to prevent crime. We also have authority to use force as is reasonable, necessary, and proportionate in order to prevent the stated crimes from happening. You may be resistant to this; however, there is now a live International Criminal Investigation in place based on mountains of irrefutable evidence that you or the American people can no longer ignore.

You have a duty to protect the people of Nevada county. You are public servants who are paid with public taxes and public money. You work for We the people. If crime, injury, or serious harm and death is being committed, it is incumbent upon you and your officers to act under your Oath, an Oath which you took and swore to protect the people of Nevada county from harm.

If you are claiming to be a public officer or employee, then it is your lawful duty to gather evidence and seize the weapons involved in the commission of crimes, which in this case are the vaccine vials, nasal swabs, and masks. These objects should be taken into protective custody and detained in your property evidence stores to be **independently** and forensically-tested as a matter of urgency. This is a fact in law. The law is the same whether you are a peace officer in uniform, whether you are a citizen / Citizen, or whether you are a man or woman that is sovereign.

All law enforcement officers have a fiduciary Duty. That Duty is to keep the peace, to prevent all common law felony crimes you are aware of, and to promptly respond and act accordingly when verified felony crimes are reported to you. If law enforcement officers fail to do their job, they are committing an offense of misconduct in public office [see: 18 U.S.C. § 2 – Principals], misprision of felony, and perverting the course of justice. If you willfully and corruptly fail to do your job, you will be deemed to be acting as a principal in the crimes reported to you today.

If peace officers know of offenders who are responsible for these crimes and do anything to assist those offenders, prevent those crimes from being detected, or deliberately frustrate the criminal investigation, they are also guilty of an offense of assisting the known offenders, and they become principals.

May we remind you, under the American Form of Government, your first duty is to the people, not Corporate government service corporations. It is the officers, including the unelected civil servants and the media bosses, who are committing these disgusting and heinous atrocities against hundreds of millions of people throughout the United States of America and our friends

and neighbors in Nevada county. It is ridiculous to expect us to address members of the COUNTY OF NEVADA Board of Supervisors, Officers of the STATE OF CALIFORNIA captured municipal corporation, or OFFICERS of the D.C. UNITED STATES captured municipal corporation. These are the very people who are committing these International War crimes while so-called Federal Law Enforcement, the so-called Judiciary, all mainstream Media, the Medical community, and so-called law makers ignore what is going on in front of their eyes. We the people do not speak to the offenders. That is the job of the police and sheriffs. People must be arrested and tried. So, we now lawfully demand that you assist us in forcing all vaccine centers, testing centers, retail centers administering the Bio-weapon (i.e. CVS, Walgreens, Pharmacies etc.), medical centers, and schools with in your jurisdiction, to cease and desist with immediate effect.

We further call on you to specifically arrest **all** officers of the foreign captured COUNTY OF NEVADA municipal corporation for failing to investigate and prevent these crimes from taking place within the metes and bounds of Nevada county, as they were required to do by Operation of law, after being repeatedly warned about the crimes stated herein.

We include herewith certified evidence that officers, supervisors, health officials, administrators, and County Council of the captured C.O.N. municipal corporation are impersonating lawfully seated government officers in violation of STATE OF CALIFORNIA Constitution of 1879, under which they claim their alleged authority [see STATE OF CALIFORNIA CONSTITUTION, Article XX, Section 3, and CALIFORNIA Government Code, Sections 1360, 1363, 1367, 1369 and 1770(i)].

You are required by law to ensure that you secure all buildings and evidence in Nevada county to prevent the obstruction and destruction of material evidence that may be pertinent to this investigation.

As already stated, the COUNTY OF NEVADA Board of Supervisors were repeatedly served Notice of substantially the same crimes stated herein today, and they willfully did nothing to warn the people of Nevada county. The Clerk of the COUNTY OF NEVADA Board of Supervisors was served NOTICE at the BOS meeting, which was captured on camera at the August 24, A. D. 2021. We have a verified email receipt confirming the clerk received our Lawful Notice which was also sent to employees and officers across Nevada county³. A second written Notice was served on the BOARD OF SUPERVISORS on September 5, A.D. 2021, acknowledging that they had been given Fair Notice of the crimes stated herein and did nothing to arrest them or warn the people. NEVADA JOINT UNION HIGH SCHOOL DISTRICT B.O.T. was also served substantially the same Notice on November 10, A.D. 2021. (See footer). A video is available from August 24, A.D. 2021, that captures the COUNTY OF NEVADA B.O.S. being served LAWFUL NOTICE of crimes being perpetrated in Nevada county [see the 3:00hr mark in the video: <https://nevco.granicus.com/player/clip/7680>].

An abundance or irrefutable evidence now confirms our worst fears stated in the Lawful Notice issued to the COUNTY OF NEVADA Board of Supervisors etc., on August 24th, A.D. 2021, and September 5, A.D. 2021. Pursuant to operation of law [Title 18 Sections, 2, 3, 4], live agents of the COUNTY OF NEVADA B.O.S. and acting for the STATE OF CALIFORNIA Municipal Corporation, including Governor Gavin Newsom, etc., are willfully aiding and abetting **domestic terrorism, genocide, and other crimes against humanity.**

We lawfully demand and command that you give immediate orders to all principals at all COVID vaccine centers, COVID testing centers, medical centers, pharmacies, media, nursing homes, and schools within your jurisdiction to cease and desist all acts of coercion towards the public regarding the administration of the Bio-Weapon. You must execute, deliver, and publicize cease and desist Notices across the county in order to halt any further crimes, serious harm, injury, and death.

We also demand that you make an immediate official Public Statement to the people of Nevada county through all media channels informing the people of the substantial risks of taking the vaccines, test swabs, wearing masks, etc., and make them aware of this criminal investigation. The people of Nevada county must be warned of the dangers of this experimental drug and invited to come forward to expose any injury, harm, or death. And finally, we now provide you with all of the legal documents in relation to the International Criminal Court case at the Hague, which you will find on this jump drive, the crime numbers and forensic evidence you may need, so that you can swiftly move your investigation forward.

Please issue us with a report number to categorize this Complaint now, so that we can report to the people that this issue has now been officially reported in Nevada county, which will aid the people in Nevada county to come forward who would wish to submit their own evidence of crimes, injury, and deaths to your office.

Your swift action in this matter will encourage the American people and Peace keepers serving on all 3,142 additional counties across America to similarly act on this matter. Swift action in every county by peace officers could potentially save millions of lives. It is imperative that all police departments and sheriffs around the country become actively involved in this ongoing investigation.

If people have information to assist either the sheriff or a police department inquiry, please provide the name, phone number, e-mail and mailing address of the individual that they should contact in your office. Please make this information public via your Website and other media outreach.

If your office fails to timely and visibly act in this serious matter (within 48 hours of receipt of this document and evidence), then as is required by law, we the people of Nevada county are duty-bound to act in accord, pursuant to the common law, by ensuring that we instead come to the aid of members of our community, and to do all that we can to protect innocent men, women, and children of Nevada county as we see fit. This may include employing any lawful means to remove any Officer or employee of the captured COUNTY OF NEVADA Municipal Corporation that may obstruct us from protecting the people, or in refusing to do their job of protecting the unalienable Rights of the American people. In such a scenario, we are also required by State and Federal law to file criminal complaints with the appropriate military authorities pursuant to U.S. Code Title 10 Section 252 and 253 [[10 U.S. Code § 252 - Use of militia and armed forces to enforce Federal authority](#) and [10 U.S. Code § 253 - Interference with State and Federal law](#)].

Should you need additional resources to carry out any of the duties that we have detailed here today, such that you may need immediate additional manpower resources to cover all facilities, then please do not hesitate to ask for volunteers to be deputized to aid your Office. We are confident that we can recommend to you members of the community that are competent to aid your Office in this inquiry and in immediately arresting any further International War crimes from being carried out in Nevada county.

For and on the record, I am going to leave you with a transcript of what has been stated here today together with a copy of two letters, one directed to the Nevada county Sheriff called: **Lawful Notification of Violations of the People’s Rights And The Utilization Of Void Processes Coming From Unelected Unconstitutional Corporations Posing As Government**; and the second, **Public Records Act Request And Discovery Request** Is Directed To Officers Of The County Of Nevada Corp.

We thank you for your time, attention, and service to the people of Nevada county. We ask that your Office communicate with us weekly so that we can relay the progress of your inquiry back to the people of Nevada county through our Nevada county assembly Newsletter and our Telegram news channel.

This presentation was authored and delivered to your Office by members of the Nevada county assembly Committee of Safety, for and on behalf of the people of Nevada county this thirty first day of January, 2022 A.D.

A transcript of a presentation made to a Leicester Police Constable is as follows:

“Just so we know who you are, can I ask you, are you acting under your oath today? Chief Constable answered yes.

For the record can we have your name and your badge number? Are you stationed here in this police station?

The reason we are here today, you may or may not know this, but I gather maybe not, the Covid 19 vaccinations are now under criminal investigation with CID Police station, (U.K. police force), this has come about as a result of the catastrophic death and injury figures to both adults and children across the UK. We have a metropolitan police case number which I can give to you later.

Also, this case has been acknowledged by the criminal court in the Hague. We have an application number for that as well. The filing has been acknowledged by the international criminal court on the 6th of December, 2021.

We also have 1,100 pieces of evidence to present to you today. We have the evidence to forward to you if you need it. As far as we are aware all chief Constables around the UK should now be aware of this case, because it is an International situation, and that is why we are here today, to ensure that you here at this police station and in the surrounding areas are aware and upholding your duty and Oath to protect the people of the UK. There is significant and irrefutable forensic evidence and hundreds of witness statements from victims, whistleblowers, and

experts that confirm serious harm, injury, and death caused by the Covid 19 Vaccines. This evidence is currently being gathered by the police; it is my understanding that they are overwhelmed with the amount of people coming forward to make statements.

Now if you are wondering, which I am sure you are, why you have not yet heard about this, there is a deliberate blanket campaign of misinformation underway by the Government and the mainstream media. The Government controls mainstream media and senior government ministers, civil servants, and the media are implicated in the following alleged crimes and evidence to support that has been submitted to the Hammersmith CID.

Crimes being sited are misfeasance in public office, misconduct in public office, conspiracy to commit grievance bodily harm, conspiracy to administer a poisonous and noxious substance to cause serious harm and death, gross negligence, manslaughter, corporate manslaughter, corruption, fraud, blackmail, murder, conspiracy to commit murder, terrorism, genocide, torture, crimes against humanity, false imprisonment, multiple breaches of our human rights, war crimes, multiple breaches of the Nuremberg Code 1947, multiple breaches of the Human Rights Act 1998, and I believe Treason will also be added to that list a little bit later on down the line.

So, as you can see this this could potentially be the world's largest criminal investigation, it is now underway, it is just beginning, and it is also taking place in numerous countries around the world and the evidence is overwhelming and irrefutable. So, in accordance with Section 3 Criminal Law Act. 1967 we now call upon you to assist us in the closure of all vaccine centers within your jurisdiction. The Criminal Law act 1967 Section 3 states; a person may use such force as is reasonable in the circumstances in the prevention of crime or in affecting or assisting in the lawful arrest of offenders, or suspected offenders, or of persons unlawfully at large.

These gene therapy drugs are the murder weapon. This is the weapon the U.K. government is using to hurt, maim, and kill millions of people in the U.K. The evidence must be seized by the police as part of this investigation. It is incumbent upon you to do that without fail in all police jurisdictions around the U.K. The Criminal Law Act 1967 gives any man or woman, the authority and the power to prevent crime. We also have authority to use force as is reasonable, necessary and proportionate in order to prevent that crime from happening. You may be resistant to this, however there is now a live criminal investigation in place.

You have a duty to protect the people. You are public servants who we pay with public taxes and public money. You work for us. If crime, injury or serious harm and death is being committed, it is incumbent upon you and your officers, on Oath which you swore to protect us the people from said harm. If you are in attendance, it is your duty to gather evidence and seize the weapon which in this case are the vaccine vials. These vaccine vials should then be taken into protective custody and detained in your property evidence stores to be independently forensically tested as a matter of urgency. This is a fact of law. The law is the same whether you are a police constable in uniform or whether you are a citizen, a man or woman that is sovereign.

The police have a duty. That duty is to respond and act accordingly. If the police fail to do their job, they are committing an offense of misconduct in public office and perverting the course of justice. If they know offenders are responsible for these crimes and they do anything to assist those offenders or prevent those crimes from being detected, or deliberately frustrate the criminal investigation, they are also guilty of an offense of assisting a known offender.

May I remind you that you work for the people. You do not work for the government. It is the Government Ministers, the civil servants, the media bosses who are committing these disgusting and heinous atrocities against millions of people throughout the United Kingdom. It is ridiculous to expect us to address members of Parliament. They are the very people committing these crimes. We do not speak to the offenders, that is the job of the police, and these people must be arrested. So we know demand that you assist us in forcing all vaccine centers with in your jurisdiction to cease and desist with immediate effect.

We expect you to be in attendance with us at vaccine sites so that we can bring a halt to any further crimes, serious harm, injury and death. We also demand that you make an official public statement to the people of the UK, making them aware of this criminal investigation, warning of the dangers of this experimental drug and inviting them to come forward to expose injury, harm and death. And finally, we can now provide you with all of the legal documents in relation to this case, the crime numbers and forensic evidence you may need, so that we can swiftly move this case forward.

The world's largest-ever international criminal investigation is now under-way, involving Hammersmith Police and The Metropolitan Police. The police accepted supporting information and agree there is enough to evidence to proceed under the above crime number.

[Mayor Of London Notified of ICC Criminal Complaint Filed on Behalf of The UK People](#)

The case was lodged on 20th December 2021 by Sam White MD; Philip Hyland (PJH Law); Lois Bayliss (Broad Yorkshire Law) and retired policeman Mark Sexton; and is being assisted by the likes of:

International Lawyer Robert F Kennedy (US) (nephew of JF Kennedy);
Reiner Fuellmich (German Corporate Lawyer who won the case against Volkswagen and the emissions scandal);

Michael Yeadon (Ex CEO of Pfizer); plus, countless other virologists, biologists, and lawyers nationally and internationally.

The complaint alleges (among other things) malfeasance; gross negligence; corporate manslaughter, murder, conspiracy to murder, genocide, serious misconduct in public office and crimes against humanity.

Mark Sexton says: "This is now a live investigation. We were forced into action due to the complacency of the UK Government who, despite being aware of the catastrophic death and injury figures have done nothing.

This is nothing short of genocide; and once again it seems that profit over people is the overriding motive. There is a deliberate blanket campaign of misinformation underway. Many don't even realize this is still an experimental product. For unassailable evidence I'd suggest looking [HERE](#).

"In years to come this will be the equivalent of another Thalidomide scandal, but for now we have to act on a united front to get the truth out to the public and stop the unsafe vaccine rollout.

"We have several thousand pieces of evidence to discredit the safety and efficacy of this vaccine, but still need members of the public to further support our claim. We therefore appeal to anyone who has suffered the death of a loved one after receipt of the vaccine; anyone who has been injured; from blindness to heart issues; blood clots; strokes; myocarditis etc. We'd also like to hear from those illegally threatened with 'no jab no job.'"

"This is the most far-reaching enquiry ever undertaken. A national scandal that threatens the lives and the livelihoods of every person in the U.K. We must act now."
